

Gavin District 37 Strategic Plan

Our Mission

We engage, grow and empower every learner, every day.

Our Vision

To become a showcase school district with the highest quality educational opportunities for all

Our Core Values

We believe that...

...equitable opportunities are guaranteed.

...honoring others' perspectives is a respectful way to interact.

...everyone needs a safe environment in which to grow.

...teamwork and flexibility among all stakeholders builds community.

...effective, open communication shows value in all stakeholders.

...celebrating all achievements—big and small—develops culture.

...knowledge develops through grit and a growth mindset.

...innovation and curiosity are hallmarks of authentic learning.

Our Strategic Goals

Technology & Innovation

Promote a vision of innovation and technology to enhance learning

Communication & Engagement

- Partner with families, businesses and the community to support the learning process
- Amplify learner voice in decision making

Finance & Facilities

- Maximize funding to support district initiatives
- Explore how quality learning spaces can enhance the educational environment

Safety & Well-Being

Cultivate a supportive learning environment that is safe and inclusive

Curriculum, Instruction & Assessment

- Ensure maximum development, growth and achievement for every learner
- Support the capacity to meet the developmental needs of our learners through high quality professional development
