

Happy Friday Gavin South

We are excited to welcome back our 5th grade students to the Gavin South campus on Monday. The following week we will welcome back students who chose hybrid learning in all grade levels. Here are several things to know as we change models on Monday.

- **Our schedule will change for all students grades 5-8 on Monday. You will receive(d) your schedule, bus info (if it applies), and a letter from Dr. Brua through email today or yesterday. Hybrid students in grades 6-8 will follow their new hybrid schedule remotely next week. All full remote students will attend their full remote remote classes beginning Oct 19th**
- **Full Remote Students-Your classroom teacher will communicate with you if they are creating a new Full Remote Google Classroom for you to check or if the teacher will just want you to continue checking your regular Google Classroom.**
- **Hybrid Students-You will continue checking your current Google Classrooms.**
- **If you have not indicated your choice between full-remote or hybrid learning through the survey or through contact with the main office, your student has defaulted to the full-remote model.**
- **Students will need to check in for attendance twice a day. Once at 7:45 and once at 12:00. Full remote students will check in with their full-remote homeroom teacher as indicated on their new schedule. Hybrid students go to their regular homeroom teacher when they are on campus and check in for attendance with their hybrid homeroom teacher as indicated on their schedule when they are at home. Schedules are being emailed yesterday and today. Zoom homeroom information will be emailed to students.**
- **Parents who are dropping off their students should drop off at the gym doors at the side of the building. Buses will be dropping off at the front of the building**
- **Parents who are picking up their students should pick up at the gym doors at the side of the building. Buses will be loading at the front of the building**
- **Student school hours are 7:45-2:30. Except for lunch and break all students should be doing their school work during those times whether they are on-campus or at home.**

- Hybrid students need to bring their tablet and charger to and from school everyday.

We appreciate everyone's flexibility as we work through all of these new procedures. We are here to answer questions and help in any way we can. Thank you to everyone for your support.

School Pictures

Thank you everyone for coming out to our Gavin South Picture Night last night. VIP will be emailing us when the pictures are ready. We will then forward you the link so you can order your picture package through their website. Picture retakes are currently scheduled for December.

Zoom Sign On

We want to keep our learning spaces safe. Gavin South teachers have been instructed not to admit people into their Zoom meetings who do not match their class rosters. Students should use their full names and avoid using nicknames, so they do not risk missing class.

Technology

As we go through remote learning, technology issues are bound to pop up. If you have a concern, please call (847) 546-9336.
