

MOTHERS TRUST
FOUNDATION

Our goal is to connect people
in difficult situations with those who want
to provide help where it will truly
make a difference.

Each week, requests are submitted by
school counselors, social workers and agencies
on behalf of the children they serve.
If approved, money goes out within 24-48 hours
to meet the needs of these children.

Join us on Wednesday mornings at 9:30
as we review the service requests for the week.
All are welcome!

Put your trust in us. Give hope
to Lake County's most vulnerable children.

\$60 purchases a car seat or a pack-n-play so a child can be safe.

\$75 provides new school clothes, underwear and shoes for a child to begin the school year with confidence.

\$150 covers the cost of sports, music, summer camp and enrichment opportunities which teach a child so much about life.

\$300 pays the fee for a cosmetology or auto mechanic kit at the Lake County Tech Campus, providing hope for breaking the cycle of poverty.

Of the children served by MTF grants:

21% live in households reporting \$0 income

30% live in households reporting income below \$10,000

37% live in households reporting income less than \$25,000

12% live in households reporting income greater than \$25,000

78% are single mother households
